2009 Recital Information

Our 2009 recital will be held on June 13, 2009. Dress rehearsal will be held on June 12, 2009.

There will be 2 dance recitals. If your child is in more than one class, they may be involved in both recitals, as well as two dress rehearsals.

All students are encouraged to participate. Dance is a performing art; recital gives the student the opportunity to work on performance skills, as well as perform what they have worked hard on all year in front of their family and friends.

There will be absolutely no refund on costumes or recital fees.

Recital fees are due on February 15, 2009. Recital fee is \$35.00 per family. With this fee each family will receive 4 recital tickets. Recital fees help cover many expenses that are generated in putting on a production of this scale; auditorium rental, custodial/technical cost, music, audio visual supplies, props, time, just to name a few.

If you are new to Turning Pointe, please read the recital information posted by the door pertaining to what is involved with the dance recital before making the decision on whether to have your child participate.

Tuition is due the first class of each month, payments received after the 10th of each month will be assessed a \$10.00 late fee.
